We have changed the date of the North Central Region Conference from the first weekend in October to the last weekend in October. The new dates are Friday 30 October 2009 to Sunday 1 November 2009. Our Air Force Liaison personnel may or may not have their budget approved in time for the first weekend. It is always a pleasure and our desire to have them participate with us. I believe it is of the utmost importance we have our Liaison team and State Directors there also. Friday night will be our social and registration. Saturday will be the conference and dinner. Sunday will be NCR staff meeting. Wing commanders are required to be in attendance Saturday but attendance Sunday for the NCR staff meeting is optional.

Steve W. Kuddes, Colonel, CAP
Commander, North Central Region
